I admire you deeply. You come a cropper only because you try so much.
Gloria, for example, that was just such a heavenly mistake, or rather
series of them.

She finished me.

And more than once, that was the noble part.
stupid would be the word I'dchoose.

No way! You'r a hero! We talk aboutyou all the time.

Well what;ll I do now.

It makes no difference. We hav utmost confidence in hou.
